

## EMPLOYMENT OPPORTUNITY

**Position Title:** Automatic Valve Industrial Assembly/Quality Associate

**Location:** Novi, MI

---

### Position Summary

Automatic Valve Industrial has an immediate opening for an Assembly/Quality Associate to join our high volume, semi-automatic production line. Associate will review blueprint drawings and assemble parts sequentially according to specifications by using an array of tools and equipment. Associate will conduct quality assurance checks to confirm assembled products meet quality standards and ISO requirements. Associate will use knowledge, skills, and abilities to support Lean manufacturing processes by maintaining a clean and safe work area and following all quality and safety procedures. We prefer candidates who have some experience in manufacturing, but are willing to train the right person.

### Education

Associate must be a high school graduate, or equivalent.

### Experience

Minimum one year assembly experience preferred.

### Knowledge, Skills, and Abilities

Associate must be able to lift up to 50 pounds; be proficient with a variety of manual and power tools; able to stand, bend, and perform repetitive motion for extended periods; work and communicate effectively in a team environment; and be PC literate.
